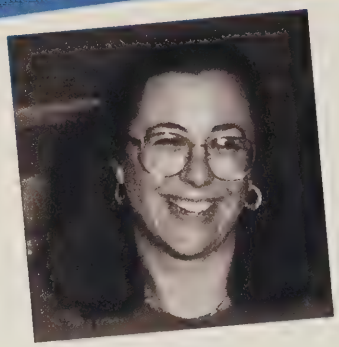
1994 - 1995
First Year at NHS



Paul Alberta
and Cathy

Congratulations, Mrs. Connor-Moen!

Cathy Connor-Moen joined the staff of Norwood High School as a choral director in 1994 and has led the K-12 Fine Arts Department as director for the last seventeen years. Mrs. Moen is the consummate teacher, allowing her to make a difference in so many families' lives. She will always be an integral part of the Madrigal and Alumni Choirs. Because of Mrs. Moen and the Norwood Music Program, meaningful and special relationships have formed and lasted through the years. Norwood has adopted her as one of its own.

As she reflects on her years in Norwood, Mrs. Moen hopes that the students continue to appreciate their community and take advantage of all that it has to offer. She knows firsthand how special Norwood is and how quickly time passes. Thank you, Mrs. Moen, for instilling a love for the fine arts in thousands of students. We are excited that now you will be able to travel, read, play the piano, and spend time with your beautiful grandchildren.

Dedication

Catherine Connor-Moen

2021 - 2022
Last Year at NHS

Thank you, Cathy, for your commitment to Norwood Fine Arts for 28 years!

In honor of Anne Calligan.
Good luck and best wishes in retirement!

Anne Calligan has been employed by the Norwood Public Schools since 2000. She served as a paraprofessional aide at the Willett before moving to the high school as Administrative Assistant to the Athletic Director and Fine Arts Director in 2008. Mrs. Calligan grew up and raised her children in Norwood, a town she clearly loves. Over the years Mrs. Calligan especially enjoyed athletic events, all summer musicals and other fine arts events, and Class Day. She has felt lucky coming to work every day and loves the students and staff. Thank you, Mrs. Calligan, for all you have done for NHS.

Dr. Galligan
Principal

To the Class of 2022,

At certain times during your high school career, we have talked about the tremendous and powerful influence that you, as a class, have on the school culture and the other students at Norwood High School. You know this, I have told you this, and you have likely realized it a bit more as you matured. Your actions, words, and leadership skills help pave the way for the students that are younger than you, and also help shape the way that they will lead when they are in the same position.

What you may not have realized is that your actions, words, and leadership also have a powerful effect on me as your principal, and on the entire staff of educators here at NHS. This is true with all classes, but is especially true with you, the class of 2022. The differences in your experiences have allowed you to highlight some of the traits that we as educators hope to model for our students on a daily basis, and as a result, have allowed us to become better educators.

Grit, endurance, perseverance, stick-to-itiveness – however you want to phrase it. Each one of you possess this characteristic and have displayed it at an extremely high level over your high school career. While the first year and half of your career was spent adjusting to high school and finding yourself in a "traditional way", whatever you had in mind for yourself was quickly challenged in the spring of 2020. You have spent the last two-plus years giving me and all members of the NHS community a lesson in how to rise up in the face of adversity and continue on towards achieving your goals. For displaying this leadership during the most difficult of times, I, and the other members of the NHS community, are forever grateful.

With Admiration and Respect,

Hugh T. Galligan
Principal

Mrs. Derrane
Assistant Principal

Dear Class of 2022,

Thank you for the honor and privilege of working with you. Through all of the challenges and all of the uncertainties you made us smile, laugh, and feel so grateful to be part of each of your journeys. We could not be more proud of you and all that you have accomplished and achieved. It's time for us to let you go, and as hard as that is, we are confident that you are ready. Believe in yourselves, be kind, and know you can always come home. Mustangs forever.

Love you always,
Mrs. Derrane

VOLUME 20 NORWOOD

A message from the dean, Mr. Sarianides

In these challenging times, it is important to rise to the occasion and be your best. It hasn't been easy the past four years. You have gone through so much but you have made the best of your time here. Now it is time to move onto the next phase of your life. Embrace the challenge. Have goals for yourself and strive to meet them. You can do anything you want as long as you have faith and belief in yourself. No one ever said life was going to be easy. Nothing worth having ever is. Take the lessons you learned here and apply them to your everyday life. The world is ready for you. Embrace the challenge and be the best version of you.

I am proud to have been your dean. The last four years have been the most rewarding years of my career. I know you are ready for the next phase of your life and I am confident that you will succeed in anything you do. Remember our class mission statement. It is a good way to live your life.

CLASS = Care, Lead, Achieve, Succeed, Share

I want to leave you with my favorite aphorism. CARPE DIEM. Seize the day. Every day is a new day and a new opportunity. Make it count! Don't ever be afraid to be great. Thank you and Good luck Class of 2022!

Why TIOT?

Tiot (pronounced tie-ot) originates from the language of the nativenNeponsets, a branch of the Algonquin tribe. Translated to "enclosure of waters," the term refers to the fact that Norwood is surrounded by water on three sides.

The first few settlers of the Norwood area situated themselves for the most part on the fertile land besides the Neponset River and along the Traphole Hawes Brooks. The settlers gradually transformed the wilderness into a small-contained village that came to be known as TIOT.

Around the 17th century, TIOT became a nickname for the area that is now known as South Norwood. In 1639, TIOT was part of Dedahm, along the 14 other communities in Southeastern Massachusetts. The town of Norwood was officially formed in 1872.
Today, TIOT remains a visible symbol of town pride and it has been the name of the high school yearbook since 1929.

THANK YOU FOR YOUR SUPPORT OF THE 2022 TIOT YEARBOOK!

Book Creation Information:

The yearbook is a student-made publication of Norwood High School. The publication is produced entirely by students (henceforth known as "Staff") under the supervision of a Faculty Advisor in a club learning environment. Pictures, interviews, quotes, and statistical data were gathered by the Staff and submitted by the Norwood school community over the course of the 2021-2022 school year before, during, and after school hours. Content gathered by Staff was done while adhering to the health and safety guidelines outlined by both Norwood High School and Norwood Public Schools at the time of capture. Content from the Norwood community was submitted via email, shareable drive, or image sharing app; although all community members are encouraged to follow health and safety guidelines at the time of capture, some images may contain individuals without masks or less than recommended social distancing. The Staff is responsible for layout, design, copywriting, and caption writing as well as overall editing of the publication.

Every effort is made to ensure the Norwood High School yearbook is holistic, objective, and accurate. Although the publication is thoroughly proofread and edited, we sincerely apologize for any omissions, misspellings, misattributes, or other mistakes that occurred during this educational editorial process.
